[Farmington, MN]

[763-300-2933]

[ivanbonilla811@gmail.com]

[Result-driven student from University of Minnesota, passionate about developing user-friendly software applications. Excellent problem-solving skills and ability to perform well in a team. Seeking to grow and develop my career and as well as my skills as a coder.]

Skills

Front-end	Back-end
<ul style="list-style-type: none">• HTML• CSS• JavaScript• JQuery• Responsive design• React• Bootstrap	<ul style="list-style-type: none">• APIs• Node• Express• MySQL, Sequelize• MongoDB, Mongoose• REST• GraphQL

Experience

[June 2020] – [Present]

[Skilled-Laborer] / [New Generation Construction, St. Pual]

[I was trained to learn how to remove install various types of roofing and siding. I am responsible for making sure I installed the material correctly. I work with many different kinds of people so it is very important that I perform well in a group setting.]

Education

[May 2022]

[Associates degree] / [Inver Hill Community College, Inver Grove Heights, MN]

[Dec. 2022]

[Bootcamp Certificate] / [University of Minnesota]

[Took rigouius 3 month full stack bootcamp where we would learn new material every week and actually use what we would learn in the homeworks assigned to us. Class was everyday for four hours and I would spent hours outside of class learning the material and completing the homework.]

Activities

[Since taking this bootcamp coding is something that I am really developing a passion for, I realize how much I don't know and am really excited to grow and learn new concepts that will allow me to grow as a developer. But outside of coding I really enjoy nature and being outdoors any chance I get.]
